**OFFICE OF THE MINISTER FOR FINANCE AND INDUSTRIES**

**NOTE**

*Dated*.....13th October.....*194* 9.

Sri L. Doraiswamy, B.E., A.M.I.E., who was Chief Engineer, Mandya Sugar Company has been recommended for appointment as Secretary, Shimoga Sugar Factory and his services will also be made use of in the Mysore Iron and Steel Works. This matter has been pending for long and I should think it can no longer be delayed. Sri D'Souza of the Civil Service, the present Secretary may be posted anywhere else. Sri Doraiswamy being an Engineer could be helpful in the Iron Works also where there are so many development works in progress. Sri D'Souza has not enough work to do just at present and it is highly uneconomical to keep him there, whereas he would be quite useful as a Rev Officer. I suggest that he may be given leave pending his posting if he cannot be posted immediately.
